ABOUT SYMBIOSIS

"VASUDHAIVA KUTUMBAKKAM" MEANS "WORLD IS ONE FAMILY"

Symbiosis is a family of 44 academic institutions, imparting quality education for over 40 years. It is host to over 27,000 Indian and International students on campus and over 1,00,000 students off-campus.

These campuses epitomize the Symbiosis motto, 'Promoting International Understanding through Quality Education' and are a beehive of international students from all across the globe, being privy to Indian culture and hospitality. Many of these campuses are fully residential and have recreational facilities which include swimming pools, amphitheatres & Health Care centres. Keeping its excellent track record in mind, in 2002, the Ministry of Human Resources Development, Government of India conferred the 'Deemed to be University' status on Symbiosis, and further in 2006 the University Grants Commission, Government of India withdrew the word Deemed and renamed the University as Symbiosis International University.

STUDENT FEATURE

Name: Akankshya Bhuyan
Batch: 2020-22

Akankshya Bhuyan (2020-2022), is a BA (English Major) graduate and a national-level table tennis player since 2009. She is the east zone champion for East Zonal Inter-University for the years 2017, 2018 and 2019 for the University of Calcutta and state champion in Cadets, Sub-junior, Junior and Women's events in the state of Assam.

She shared her SIP experience as a Business Development manager intern with Women in Sport, India (WISI) as a great experience. She learned a lot of new things by managing interactions with multiple national athletes, hosting various live shows with all of them and maintaining a client base for the company.

She also shared her MBA experience at SSSS, which has been amazing. She also got plenty of opportunities to explore and utilize her skills through various platforms like being the CR of her batch, the Summer Internship Project (SIP) and being a member of the Placement Committee.

Name: Dhruvil Keswani
Batch: 2020-22

Dhruvil Keswani (2020-2022), is a B.Com graduate and also a national level skater. He is an Asian bronze medalist (2018), participated in the world championship (2018), Junior Sardar Patel Award 2013 Junior Jaydeepsinhji Award 2011, multiple time national winner.

He shared his SIP experience as a Business Development manager intern with Fast and Up India, as a great experience, where he got to learn a lot of new things starting from product training to arranging live sessions with various running groups across the session stating the importance of protein in their active life.

He further shared his MBA experience at SSSS, in spite of all being virtual during his first year, he felt SSSS did a great job in arranging the course online considering the scenario of the pandemic. Although, they didn't experience campus life for that period, which is more or less very important for the growth of each student during the tenure of the course, he sees himself as a proud and privileged part of the SSSS family.

ALUMNI SPEAKS

ROSHAN SHETTY (2016-2018)

Rohan Shetty is a sports commentator & presenter. He is the director of Sportytude. He believes "Symbiosis has been a pioneer when it comes to having a formalized Sports Education system in India and with the advent of SSSS, it has helped all the young aspiring individuals like me who want to work in the sports industry by bringing in all resources at one-stop, with respect to Quality Education, Mentorship and Employment Opportunities. SSSS has assisted me in creating a pool of networks with industry experts, which has helped me to streamline my inroads into the sports industry added along with a family-like culture which is inbred at the campus aiding me to get the best out of myself while I studied at SSSS."

LIFE AT SSSS

Back To Campus

Life at SSSS has been going smoothly, with the college campus opening with peace and grace. The administration and students are joining hands, in order to restore the atmosphere at SSSS to what it was pre-Covid days. People are frolicking towards the hostel and campus at pace. The students on the campus, are taking part in tournaments organized by the administration. Football, basketball, volleyball are some of the sports that SSSS has won accolades in. Every day there seems to be a large number of events lined up for the students so that they can cultivate the feeling of togetherness and unity. Additionally, the weather has changed since winter is here and life on campus has also become more enjoyable. New opportunities and new adventures will surely be underway with the advent of the new year and the end of the current year.

World Football Summit 2021

The annual World Football Summit (WFS) recently concluded in Madrid Madrid. Our industry connect, Mr. Siddharth Deshmukh, and two of our students were lucky enough to attend this mega event, where they got to learn about the development of football in a practical way. They also had the opportunity to interact with Ms. Marian Otamendi, CEO & Director of the World Football Summit.

Over the years, WFS has evolved from an annual conference in Madrid to a strong platform that connects executives and brands through an ever-growing number of physical and digital events, offering tailor-made solutions for those aiming to stand out in the highly competitive, quickly-growing, and complex sports market.

BUSINESS NEWS

Ban on Online Gaming

The Karnataka government recently prohibited all forms of online games involving monetary stakes. Interestingly, this state law comes at a time when the Madras High Court clarified that games of skill that can be played online for stakes, cannot be categorized as betting or gambling. Further, the Madras High Court struck down the overarching ban on games of skills pursuant to the recent amendments to the Tamil Nadu gaming laws and stated that such a ban was ultra vires the Constitution and was an 'excessive and disproportionate' exercise of authority.

James Milner, Adam Lallana invest in Indian golfs analytics platform UpGame

Liverpool midfielder James Milner and his former teammate Adam Lallana have invested an undisclosed amount in Gurgaon-based golf performance improvement platform UpGame through their firm White Rose Sports Management.

Founded by former Indian amateur golfer Sameer Sawhney in early 2019, UpGame uses data intelligence, tracks practice and provides a coaching platform to golfers.

"Both James and Adam are legends of the game who have great understanding of what it takes to perform at the highest level and the important role stats play in any sport," Sawhney said. "We're thrilled to have two of the world's most famous athletes join us on our journey."

DR. NAYANA NIMKAR - DIRECTOR, SSSS

Greetings!

The Symbiosis International Deemed University is known for its excellence in the discipline of Management, and has launched the much needed 2 years fulltime MBA (Sports Management) program. Our curriculum seeks to transform, prepare and empower our students for the sports industry. The four corners for our future development is developing a world class sports educational hub and teaching ecosystem, leveraging technology, creating a global perspective and infusing an entrepreneurial mindset amongst our students.

We are one of the premier institutes in the country offering this niche course. Since the inception of the program in 2016, the institute has kept pace with the changing environment in the business of sports. The School updates the students with the latest trends and technology used in Sports.

We are providing our students a new opportunity for engagement and practice with real time settings that will better prepare them for their continued educational and professional journeys. We look forward to seeing you at our campus and hope that this association will be longstanding and fruitful one.
